

Little Modern Mini

This little Modern quilt is fun and quick to make using a variety of scraps or a charm pack. Quilt blocks can be made any size using this technique.

Fabric

- An assortment of Light and Dark Fabric for the colorful blocks
Pieces need to be at least 5" x 5". Sample quilt was made using a 5" Charm Square pack of solids.
- An assortment of (12) light and dark Gray Fabric squares for the background.
Pieces need to be at least 5-1/2" x 5-1/2".

Other Items:

- Thread for piecing
- 1/4" Foot for sewing machine
- Small to Med Cutting Mat & Rotary Cutter
- Small Ruler - 4"x 4" or similar size
- Sewing Machine and all other items needed for sewing & quilting (rulers, scissors, needles, pins, seam ripper, etc.)

Fabric Selection:

Choose tone on tone or very small-scale prints. Fabric should have good contrast (light and dark). Medium tones may not work as well. Textured prints can add a lot of interest.
