

# Little Woodland Cardinal

## Supplies:

This is a small Scrappy Quilt – You will need a selection of Reds, Grays and Whites.

1/8<sup>th</sup> Yard cuts will work well as you will use longer strips to make the pieced border and for the binding.

- 13" x 13" square of Batting
- 13" x 13" square of Fabric for backing
- 1 sheet of tear-away, dissolvable or leave-in foundation paper
- Pencil
- "ADD-A-QUARTER" ruler. You can use your standard quilting ruler, however this one is easier
- All other items needed for sewing, foundation piecing & quilting (Machine, thread, rulers, scissors, needles, pins, seam ripper, etc.).

## Prep before class:

### Print out the Foundation Blocks:

- Copy or trace the patterns on to tear-away, dissolvable or leave-in foundation paper. If printing, set your printer to "Print to Size" not "Scale to fit"
- Cut out each piece just outside the 1/4" seam allowance (dotted line), keep pieces together (large baggies work great)

Please email me if you have any questions.
